VACCINE UPDATE

Article Index

This is an index of the topics covered by Vaccine update including revised guidance, policy and programme implementation information. It has been designed so that you can search VU content specifically. It is important to always refer to the most recent advice.

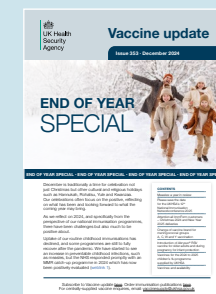

Latest editions

October 2024

November 2024

December 2024

A

Topic	Heading	Date	Issue	Page
Abrysvo	Introduction of Abrysvo vaccine for RSV programmes	07/24	347	6
Administration	Administering four vaccines in one year olds at one visit	06/17	264	2
Administration – sites for 12 months	Reminder on administration sites for the four injectable vaccines at the 12 month routine visit	05/16	245	2
Administration – MenB	Administration of MenB booster – sites of administration and limbs	04/16	243	5
Adrenaline	Adrenaline auto-injector supply issues; healthcare professionals and competency using amps	10/18	287	4
Adverse events	Reporting vaccine adverse events/MHRA	02/17	259	4
Air bubbles	To expel air bubbles in pre-loaded flu syringes or not	11-12/14	222	2
Antenatal	Immunisations offered as part of antenatal care	04/20	307	5
Award scheme	Award scheme recognises flu vaccine uptake in care homes across the North	02/19	291	6

B

6-8 week baby check and immunisations	Don't delay immunisation for the six to eight week baby check	11/17	272	5
Baby checks & immunisations	6 to 8 week baby checks and immunisations	01/17	257	2
Batch numbers	Clarification batch numbers and expiry dates	02/16	241	5
BBV Survey	Survey for GPs about diagnosis and management of blood borne viruses (BBV) among migrants	10/17	271	2
BCG changes	Changes to BCG and SCID screening	11/20	314	6
BCG Vaccine supply	BCG vaccine (AJ Vaccines) current stock and expiry	04/19	293	7
BCG Vaccine supply	BCG vaccine (AJ Vaccines) current stock and expiry	03/19	292	10
BCG Vaccine supply	BCG vaccine (AJ Vaccines) current stock and expiry	02/19	291	9
BCG Vaccine supply	BCG vaccine (AJ Vaccines) for the national BCG programme	01/19	290	5

Topic	Heading	Date	Issue	Page
BCG supply	Vaccine supply AJ Vaccines	09/18	286	5
BCG – special edition	BCG special edition, vaccine supply AJ Vaccines	08/18	283	1-5
BCG	Supply of UK licensed BCG vaccine manufactured by AJ Vaccines	07/18	281	7
BCG	BCG vaccine supply and ordering (special edition)	07/17	265	1
BCG needles for administration	Which needles do I need to re-constitute and give InterVax BCG vaccine?	12/16	256	2
BCG – PGD and unlicensed BCG	Use of PGD and PSD for unlicensed BCG	06/16	247	4
BCG	BCG prioritisation and eligible groups	06/16	247	3
BCG – special edition	Special edition BCG/alternative unlicensed BCG vaccine available shortly	06/16	246	1
BCG	BCG; use of batch beyond labelled expiry (29/02/2016)	05/16	246	2
BCG – special edition	Special edition – BCG prioritisation and reducing wastage	04/16	244	1
BCG	Global shortage BCG, extended use past labelled expiry date	03/16	242	6
BCG in pregnancy	BCG vaccination in pregnancy? NICE guidance 13/01/16 error	01/16	240	4
BCG	BCG special edition; administration, reducing waste and prioritisation	09/15	233	1
BCG supply	Delay with supply BCG vaccine – use of limited stock, ordering temporarily on hold, prioritisation	03/15	227	1
Berkshire Hard to reach	Improving access for hard to reach population Berkshire	08/20	311	2
Best practice	School-age vaccinations: sharing best practice, looking for providers	06/20	309	5
Best practice	Sharing Best Practice for Improving Uptake in the Childhood Programme – Eggs from schools based provider and GP surgeries (Oct 2017)	02/18	275	3
NHSBT team	Meet the team NHS Blood & Transplant Unit	09/17	270	2
Blood Borne Virus Unit	NIS Colindale; specialist teams and lab activities	11/19	302	2-16
Bug special edition	Lab teams and 300th edition Vaccine update	10/19	300	1

C

Topic	Heading	Date	Issue	Page
Chickenpox	Chickenpox exposures in pregnant women	05/22	329	5
Childhood immunisation campaign	Childhood immunisations campaign: latest data available	09/24	350	3
