

The background of the entire poster is a photograph of four young children of diverse ethnicities standing close together against a red brick wall. From left to right: a girl with dark hair and a pink bow, a girl with dark curly hair in a purple top, a boy with dark hair in a denim jacket, and a boy with curly hair in a grey sweater. They all have serious expressions.

如果没有接种疫苗， 我们将得不到免疫保护

我们这一代儿童正在面临
逐渐上升的麻疹和百日咳
等疾病的患病风险

您的孩子接种的是最新的疫苗吗？
